Drew's All Natural Buttermilk Ranch

Wednesday, July 6

So many salad dressings to choose from...how do you decide which ones you prefer? This dressing from Chef Drew in Chester, Vermont is an exceptionally good tasting buttermilk ranch, and it's all-natural. It has no artificial ingredients and no ingredients grown from genetically modified seeds. Compare calories and fat content to your average ranch and they're pretty close to the same. We think this dressing has potential, but in order to really appeal to the consumer they want, it seems like they might need to do more...like maybe go organic! Retails for \$2.99.
